

THE SIXSESS
CONSULTANCY

Values Statement

Ethical:

Ethics, integrity, and credibility are absolutely core to us.

We Treat Others as We Wish to Be Treated Ourselves:

Simple and critically important. We each expect to be treated with inclusion, dignity, and respect and that's how we interact with each other.

Be Authentic:

We should each bring ourselves to work. Let's just be authentic.

Collective Culture:

Profit will be a by-product of our team if we are driven by a deeply held collective culture and mission.

Shared Vision & Higher Purpose:

Our shared vision of a higher purpose will inspire and engage us in pursuit of greatness and excellence.

Leaders Are Everywhere:

Leaders are everywhere; it's our job to create the environment where we can each grow and be free to be innovators and visionaries.

Feel free to speak up and share your insights.

Leaders Inspire & Serve:

Leaders inspire and serve the organisation, its clients, and stakeholders.

Values Statement

Mistakes are Human. WE are Human:

Mistakes are human. We just don't repeat the same one twice.

Relatable:

We will ensure that our internal and external interactions will be empathetic and relatable.

WDWWSWWD:

We do what we say we will do. Simple.

We Balance Life:

We balance our life and our work for the benefit of both.

We Go the Extra Mile:

Going the extra mile is like running. The more often we do it the easier and more habitual it becomes.

We Grow Our Capabilities:

We take every opportunity to expand our knowledge and competence and leverage those to continually enhance our offering.

We Have Fun:

Fun and curiosity are infectious, spread them.

We want to be here:

I want to be here and make this successful and you do too.

We Will Excel:

We deliver of excellence in all that we do.
